

» Hast Du das Team-Ego?

Become **Finance Business Partner (All Gender)**
Our Finance Team in Hamburg is waiting for you.

We believe your interests to be equally important as the ones of your team. This is why you can achieve even more with us. Sounds good? Then you have our Team-Ego – and are just right with us.

Our promise

We help people move forward every day. We're encouraging you to go your own way. Because we're offering you a company culture where everyone is met openly and at eye level. You'll meet a variety of different people, living our values all day every day. We're inviting you to a range of joint experiences within our team as well as your personal spotlight moment.

Your Part

- Work with Credit Risk and Commercial team to drive strong financial performance and accurate forecasting
- Be key person to drive performance tracking i.e. setting up respective reporting and tracking processes
- Own and coordinate all planning related activities across Commercial and Credit Risk to develop ambitious but realistic plans/forecasts
- Analyze performance in detail to deliver and drive financial strategies and interventions to improve performance against key financial goals – mobilize finance team to ensure integrated management of issues. Lead discussion, directly and through the finance function to effectively challenge the assumptions
- Drive business cases to focus on performance measures and alignment to product strategy, ensuring pricing transparency and customer relationship building.
- Strong commercial edge to support Marketing & Commercial in preparing business cases in being a challenger and partner of the entire business of Barclaycard Germany
- Drive cost management and control disciplines into Barclaycard Germany
- Provide appropriate support, modelling and challenge to major partnerships.
- Set up appropriate Management Reporting and provide regular update of projects
- Development and maintenance of a Finance MI infrastructure supporting Planning and reporting purposes as well as general ledger and regulatory reporting
- Apply the highest standards of controls and risk management practices and behaviours and embed a positive risk and control culture

What you're made of

- Either Qualified accountant or MBA with at least 5yrs experience in consumer finance
- In-depth knowledge in planning process incl. system knowledge necessary
- Demonstrate ability of deep technical product knowledge and interest with ability and interest to deep dive into product detail to optimize performance
- Very good understanding of the financial service industry and the commercial challenges that go with this
- Be collaborative, transparent and pragmatic
- Very strong communication skills to be able to successfully communicate and negotiate on ExCo Level
- Take ownership and be accountable
- Cultural awareness and ability to adapt culturally
- Proven effective contributor and influencer in complex, matrixed and multiple entity environments
- Strong communication, negotiation and influencing skills to work effectively with senior stakeholder to achieve best possible outcome and compromises
- Excellent presentation skills to be able to clearly and crisp lay out and communicate results, challenges and actions arising from this
- Innovative – be able to work creatively with commercial counterparts to develop new ideas/products/propositions and tailor to current constrains
- Ability to operate effectively at a strategic and detail level.

About us

We're not an average bank. We're Barclaycard: modern, diverse and digitally minded. As one of the country's leading credit institutions, we have over 700 employees based in Hamburg. For the past 25 years, we have been offering our customers flexible payment options and helpful financing solutions that have resulted in over 1 million customers.
